SUMMARY

Integrated marketing and brand leader with 7+ years across SaaS (Shopify, Hostaway, Hostfully) spanning email and lifecycle marketing, content production, community building, and partner-led growth. Grew Hostfully's owned social channels 235% and third-party review pipeline 200% as solo marketing lead. Ran campaign strategy and audience engagement on a Salesforce-based stack. Strong copywriter across channels, fluent in analytics and A/B testing, and AI-native across content, research, and workflow automation.

EXPERIENCE

Community and Integrated Marketing Manager

December 2023 - May 2026

Hostfully

- Owned brand presence across LinkedIn, Meta, YouTube, X, Bluesky, TikTok, and email, increasing followers by 235% and impressions by 120%.
- Built and executed email and lifecycle campaigns, including audience segmentation, messaging, and performance analysis, on a Salesforce-based marketing stack.
- Ran the review platform strategy, driving G2 and Trustpilot organic review traffic up 200% and strengthening category positioning.
- Managed partner relationships and co-marketing collaborations across short-term rental and travel companies, producing joint content and digital events.
- Produced creative end-to-end across graphic design, video, digital event production, and copywriting, integrating AI tools to compress production cycles.
- Led event production in Canada and the United States across in-person and hybrid formats.

Senior Support Advisor and Technical Content Writer

June 2022 - December 2023

Hostaway, Toronto, ON

- Managed concurrent merchant support workloads while troubleshooting platform issues and feeding insights back into product and content teams.
- Built internal initiatives to lift community engagement and reduce churn signals surfacing through the support layer.
- Designed and implemented an internal client review production plan to capture more inbound social proof.
- Facilitated onboarding and ongoing training for multiple staff teams, covering software proficiency and client relationship development.
- Produced technical and marketing content for internal staff and prospective clients.

Support Advisor and Internal Copywriter

June 2021 - June 2022

Shopify

- Provided live channel support for ecommerce brands ranging from sole proprietors to enterprise-level clients.
- Wrote technical copy covering internal software and app partner integrations across the Shopify marketplace.
- Produced internal training and documentation to onboard new support staff.
- Created internal marketing content supporting team initiatives and product launches.
